The Cottonwood Golf & Country Club

Join athletes, celebrities and just some really nice people,
helping to make Magical Memories for Special Kids.

For the past 30 years, Cottonwood Golf & Country Club has provided a "home away from home" for our members and guests. Its tranquil atmosphere and healthy lifestyle offer an alternative for busy urban lives. Situated along the picturesque Bow River, this beautifully designed and well-maintained golf course is located 15 minutes southeast of Calgary.

Cottonwood is privately owned and operated and offers private equity memberships. With a variety of options within our Membership Plan, each member has the flexibility to integrate their golf experience with everyday life. Welcome to the new way of golf. We offer a welcoming atmosphere for all ages. From our junior and juvenile programs, to our senior and ladies leagues; there is something for everyone.

Setting an example for others to follow; always giving back to the community. Involvement with local charities, programs and foundations, it is what has brought our family to become part of so many others. We are not your stereotypical Private club. We see our facility as the "casual" country club where every member and guest feel welcome and comfortable.

Play for excellent team and hole-in-one prizes

We will have ladies', men's, mixed and celebrity/athlete divisions. Players can participate as sponsors. There are also opportunities for breakfast and dinner sponsors, athlete and celebrity registration sponsors, cart sponsors, hole-in-one sponsors and auction prize donors.

Play for a great cause

Dreams Take Flight is a registered children's charity in Canada with eight Chapters nationally. Each chapter consists of a dedicated group of Air Canada employees, family members and associates, all of whom volunteer to raise money in order to take medically, mentally, physically, emotionally or socially challenged children to a California theme park each year.

Dreams Take Flight Calgary has been taking deserving children with special needs from Southern Alberta to a California theme park since 1993. We raise our funding through corporate and private donations, charity golf tournaments and other annual fundraising events. We are a 100% volunteer charity with volunteers handling fundraising, flight planning, administration and governance. Air Canada donates the aircraft, but the ground crew, flight crew and other services required for the flight are donated. Our amazing medical team are volunteers as well!

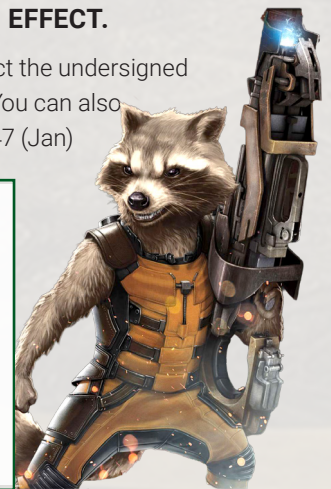

With your support we can bring some magic to some very deserving Southern Alberta children and make their dreams come true.

Join us at The Cottonwood Golf & Country Club
Thursday, July 23, 2026.

Registration and Breakfast: 7:30 am
Shotgun Start / Texas Scramble: 9:00 am
Dinner and Prizes to follow golf
